

Pine Shaving Drive

to benefit

HIDDEN POND FARM EQUINE RESCUE

Brentwood, NH

Hidden Pond Farm rescues horse from slaughter houses throughout the country and provides them with the necessary medical care, food and training. They then try to place those horses that are fit for adoption.

The rest are maintained on the farm as permanent residents. The farm is able to do this work with the help of volunteers and donations.

Volunteers help with anything from mucking stalls and sinking fence posts to grooming and leading horses.

The rescue is always in need of donations. One item in high demand is pine shavings. An average horse requires roughly ten bags per month to maintain a healthy living environment. At \$6/ bag, this is a big expense.

Will you join Mr. Fazzio & our Kung Fu Leadership Team in this drive?

*Thank you for
your help!*

How can I donate?

Donate any amount or specify how many bags of pine shavings you are donating (\$6/bag).
All forms of payment accepted.

1. At the front desk
2. Email: YangsAndover@aol.com
For credit cards on file.
3. Online at www.YangsAndover.com

NOW thru Sept. 30th

Questions? See Mr. Fazzio or Mrs. Kiesel
